Senate and House Statement on FY11 Local Aid Agreement

(Boston) – Continuing the Legislature’s commitment to supporting core services at the municipal level through state-funded local aid payments, Steven Panagiotakos, Chairman of the Senate Committee on Ways and Means, and Charles Murphy, Chairman of the House Committee on Ways and Means, announced today an agreement on levels of support cities and towns can expect in the upcoming fiscal year.

According to the agreement, municipalities will receive no more than a 4% cut in their Section 3 local aid in the upcoming fiscal year and all school districts can count on being funded at their foundation level of support.
