

I write regarding House 826, the so-called "sunshine" bill. The goal of the legislation is very important -- to prevent cherished park lands from becoming shadowy and windy canyons among oversized buildings. I passionately support this goal. I hope that the committee will find a way to move legislation that will accomplish this goal.

TO: Committee on Environment, Natural Resources and Agriculture
 FROM: Senator William N. Brownsberger
 RE: H826, An Act protecting sunlight in certain public parks
 DATE: May 7, 2013
