July 18, 2024

The leadership of the Massachusetts Chiefs of Police Association has announced their support for H4885, also known as "An Act modernizing firearm laws". We are looking forward to a collaborative effort with the Administration, particularly the Executive Office of Public Safety and Security, to effectively implement this comprehensive new law. We would like to extend our appreciation to Speaker Mariano, Senate President Spilka, Chairman Michael Day, and Leader Cindy Creem for their commitment and willingness to engage in constructive dialogue as we worked towards a compromise on gun reform, with a shared focus on enhancing safety in the Commonwealth.
